

1615 Poydras Street, Suite 400 | New Orleans, LA 70112 | 1-877-343-4773

February 6, 2017

Dear Parent / Guardian of <Student Name>:

We know that International School of Louisiana's (ISL) decision to close their Bunche campus means that you need to consider a new school for your child for next year. EnrollNOLA and ISL are committed to ensuring that your child is able to continue his / her education with ISL. Students enrolled at ISL's Bunche Campus will receive priority to ISL's Orleans campuses. This means that students enrolled at ISL's Bunche Campus will receive a placement at ISL's Camp Street, Eagle Street, or Olivier Street campus before other applicants. We will work closely with ISL to ensure there are enough seats for students who wish to transfer.

Please follow these steps to tell us what you would like for your child to transfer to one of ISL's Orleans campuses:

1. Visit our website, www.enrollnola.org, to learn more about how OneApp works. Please know that most schools that participate in OneApp are only open to New Orleans residents. If you expect to move to Orleans in the coming months, enrollnola.org contains school profiles for all New Orleans public schools.
2. Complete this form by February 24, 2017: www.enrollnola.org/bunche/

You will need your child's OneApp identification number to complete the form. For your reference, we have included it below:

Student Name: <Student Name>
OneApp ID: <OneApp ID>

Consider which ISL campus you would prefer for your child to attend. If your child is enrolled in the Spanish program, and you would be pleased with either the Camp/Eagle Street or Olivier Street campus, please rank each campus in your order of preference.

- a. Camp Street / Eagle Street Campus
- b. Olivier Street Campus: Spanish program only

3. Once you receive notification of your child's placement in early April, complete registration with ISL.

If you need assistance, you can call the EnrollNOLA Family Resource Center hotline at (877) 343-4773 or visit us in person. Hours and locations of the Family Resource Centers are available at enrollnola.org.

Sincerely,

A handwritten signature in blue ink that reads "Gabriela Fighetti".

Gabriela Fighetti
Assistant Superintendent
