

Dear parents or guardians,

We are excited to announce that ISL is going green! This year we are providing families with accessible links for all of the necessary forms and information that you will need. This will allow families the convenience of things such as updating contact information online, sign up for aftercare, access our ISL Web page, student handbook, attendance policy, make a payment, view the school menu, calendar, and much more. These links will replace the paper forms that were sent home in previous years.

You can also find all necessary info through our ISL Web page

**Westbank home page:**
