

December 9, 2015

Dear Parents,

Thank you to all who attended last night's meeting about the upcoming renovations and swing space. Your commitment to your child/ren's educational experience is apparent and your feedback is appreciated and valuable.

At the meeting, we invited parents and guardians to submit questions in writing (forms were provided), in person directly following the meeting, or via email. I received approximately 15 written questions/comments last night and have received almost as many emails. We have identified two consistent concerns:

- 1) The later start time to the Early Bird program
- 2) Transportation to and from the Uptown (Camp St.) campus to the Mid-City campus for parents with students in lower school and middle school

Our commitment to you is that we will work diligently and meet with our team of administrators at ISL to review the feedback and information received, research possible solutions, and respond to your questions and concerns in a timely manner. A summary of the questions and concerns brought forth and our response and possible solutions will be available on the ISL website **no later than Friday, December 11, 2015 at 12pm.** A link to the web site will be shared on the Mid City Facebook Group. Please check back for updates and additional information.

Additionally, Ms. Camey and I will make a great effort to respond to individual emails within 48 hours. We ask for your patience during the next couple of days. If you do not receive a response, please contact us as we would like to ensure all email responses are received and all concerns are addressed.

Again, I would like to express my appreciation and gratitude to all who attended last night's meeting and to all ISL families for their strong commitment to the school and immersion education.

Sincerely,

Melanie Tennyson
