18 AÑOS DE TRAYECTORIA ~ UN PROJET DE 18 ANS

March 12, 2018

Dear 7th Grade Families,

Thank you to all the families that were able to attend our T.R.E.E. information meeting on March 6th. If you were not able to attend, I hope you have been able to view the T.R.E.E. powerpoint and video. These were posted to Ms. Merlos' google classroom. Your child's advisor should have also sent home the T.R.E.E. registration packet. If you need access to any of these materials please let Ms. Merlos know.

We are just a month away from the 1st expedition. Our Spanish Target Language section will head out on April 11th and return on Friday April 13th. Assistant Principal Jairo Maldonado will attend this trip along with 7th grade teachers, Ms. Merlos, Ms. Androw, and Ms Macera. They will be joined by Assistant Teacher, Cecilia Acosta and Information Technology Manager, Bach Ngo.

Our Target Language French students will head out on April 16th and return on the 18th. Assistant Principal Pablo Garcia will attend this trip along with 7th grade teachers, Ms Jouret, Ms. Wei, Ms. Curry, as well as Mr. Georgeonnet, who taught these students in 6th grade.

Because we expect that all of our 7th grade students will participate in their section's expedition, there will not be classes for those students back at school. If, however, there are extenuating circumstances that would prevent your child from participating please contact me so we can develop an appropriate alternative experience that will individually accommodate your families needs.

Please RSVP by clicking on this link, [T.R.E.E. RSVP](#), so we can confirm your child's participation or reach out to discuss your child's need for an alternative experience.

Best,
Laura Adelman-Cannon
