Behavioral Expectations—Students

- All rules of student behavior in effect on the school campus apply to the childcare program. Discipline will be handled by the program coordinator.
- The student will refrain from aggressive behavior or behavior that incites arguments.
- The student will not deface or damage any part of the bus.

Behavior Management

Children are expected to comply with all regular school rules and regulations in addition to the Behavior Management Policy. Discipline will be handled by the program coordinator, and in some cases, by the school principal or assistant principal.

The basic policy includes methods such as talking to the child about the problem, removal of the child from the group, use of positive redirection whenever possible, limiting privileges, and/or consulting with parents. Parents contacted about behavior problems are expected to cooperate with staff in assuring the elimination of inappropriate behavior. One of the goals of our behavior process is to help children develop self-discipline and give them choices whenever possible. Corporal punishment, sarcasm and yelling by the staff are not acceptable means of disciplining children in the program.

Limits are set on behavior to provide a safe and caring environment where children can plan and learn. Limited are set for three primary reasons: 1) to prevent children from injuring themselves or others; 2) to prevent the destruction of property, materials or equipment; 3) to help children learn to respect themselves, other children, and adults.

Revised: 7/15/19
A child may be immediately dismissed from the program if the child’s behavior is determined to be detrimental to the child or to the well-being of others in the program. Immediate dismissal of an entire family may occur in the event of inappropriate behavior of parents who are on school property. Adults are expected to model the desired behavior that is expected of the children. Profanity, threats, or disruptive behavior will not be tolerated.

A child who is dismissed due to behavior issues will no longer be eligible to attend at any time.

Sign In/Out Procedures

- Parents must sign out with the date and time for their child/ren each day.
- A child will be released only to person(s) (minimum 16 years of age) designated by the parent/guardian on the enrollment form. Once a child is signed out by a parent/guardian the After School Program is no longer responsible for that child.
- Failure to properly sign in or out could result in incorrect fees being charged, and repeated failure to properly sign in and out may result in dismissal.
- If a child is to be released to someone not listed on the application, the program coordinator must be notified. Staff will require identification from any unfamiliar person who arrives to pick up a child. A program coordinator may call the parent to verify any written or verbal authorizations to release a child to someone else.

Snacks

A nutritious snack supplied by Child Nutrition is available each afternoon. If your child has a food allergy please advise the program coordinator of that fact in writing.

Staff:

There is a program coordinator at each location. The duties of the program coordinator includes managing the site, enrolling new children, purchasing supplies, collecting fees, and preparing bookkeeping information for Finance and Food Service Department. There are staff assigned to each group of children. The duties of the staff are supervising and interacting with the group.

Year-End Tax Statements/Reimbursement Requests

As a courtesy to our parents, year-end tax statements will be produced by January 31 for all families with accounts in good standing. The statement will be in the name of the person who enrolls the child/ren. Statements for active families will be sent to the current site. Statements for inactive families will be available at the campus the child attended unless the family has a past due balance. If there is a past due balance on the account, the year-end tax statement may be picked up from the Finance Office after payment of the past due balance.

Weather/Emergency Closing

The decision to close schools will be made by ISL personnel no later than 3:30 p.m. and will be communicated through parent outreach. If possible, the decision will be made the evening before the closing. If no announcement is made, parents may assume that schools will operate on a normal schedule and the Childcare Programs (Before/After) will operate on normal schedule. Parents may also check the ISL website at www.isl-edu.org for up-to-date scheduling decisions.

Revised: 7/15/19
