MEAL PAYMENT PROCEDURES

PREPAYMENT PROCEDURE

The procedure for paying for meals is to **PRE-PAY** by the day, week, month, or year. A check, cash, or money order should be sent in a sealed envelope with the student's first and last name including the amount enclosed and school campus written on the outside of the envelope. **CASH PAYMENTS ARE HIGHLY DISCOURAGED AND THE BURDEN OF PROOF IS ON THE PAYER IF HE/SHE CHOOSES TO USE CASH FOR PAYMENT.** There is a \$35 NSF fee for each returned check. Meal payment forms are located in the front office of each school or online at www.isl-edu.org/menu. Money **MUST** be available in the meal account or paid at the point of service. This policy includes everyone: students, staff, and visitors. Money remaining in the account at the end of the school year will carry over to the following school year. Student meal account funds cannot be used to pay for guest meals which include parent/guardian meals.

ONLINE MEAL PAYMENTS

Online meal payments are available at www.myschoolbucks.com for your convenience. Households that would like to utilize online payments must register with My School Bucks. Your child's school student number will be required when registering. There are no fees and the website is safe and secure for credit/debit card payments. The online payment system allows parents/guardians to track and pay for meals, view balances and schedule advance or recurring payments

DELINQUENT MEAL PAYMENTS AND ALTERNATIVE MEALS

Meal payments are due at the time of service. Delinquent meal accounts will be subject to collections and scheduled meal denial.

PROCEDURES FOR PROVIDING ALTERNATIVE MEALS

When an account is delinquent (a balance owed of greater than \$25), the parent/guardian will be contacted by the Food Service Department. Failure to pay for meals will result in denial of scheduled meals.

An alternative meal will be served for breakfast and/or lunch if payment has not been received by the date agreed upon by the Food Services Director and the parent/guardian. Upon the third instance during a single school year of an elementary or middle school student being denied a regular meal during school hours, the Food Service Department shall contact the Office of Community Services within the Department of Social Services to report the failure of the parent or guardian to pay for meals, which has resulted in repeated denials of meals during school hours.

FOOD ALLERGIES

SPECIAL DIET REQUESTS

Special diet requests will not be accommodated without a 2019-20 school year diet prescription form on file. Forms can be found at www.isl-edu.org/menu or in the front office resource center of each campus.

DISABILITY SPECIAL DIET REQUESTS Federal and state regulations require a completed and current diet prescription form for any student with a special diet request. Special diet request forms are available on the school's website, directly from the Food Services Department or school nurse. Special diet requests will not be processed without a current school year form on file. Special diet request form(s) must be supported by a signed statement by a licensed medical authority by the state. Menu substitutions will only be served to students with a documented medical dietary need.

Students who cannot have cow's milk due to a medical condition must have a current school year diet prescription form on file, which must include the milk substitute prescribed by the physician.

NON-DISABILITY SPECIAL DIET REQUESTS Special diet requests for personal reasons (i.e., ethnic or religious) without a recognized medical disability may be accommodated at the discretion of the Food Services Director. The ISL Food Services Department is not required to make substitutions for non-medical reasons. However, students are allowed to refuse food items within the guidelines of offer vs. serve. Parents/guardians must submit a special diet form to the food service department for non-disability special diet requests.

Federal and State regulations require a completed and current diet prescription form for any type of change or substitution to a student's diet. The special diet prescription form will need to be completed by your child's physician or medical authority. We **will not** process a special diet request for your child until we receive the 2019 – 2020 School Year form.

The form is located in the front office of each school campus and online at www.isl-edu.org/Menu.

****NOTE**** If a student cannot have fluid milk as a result of a medical diagnosis, the Physician must prescribe the milk substitute on the Diet Prescription Form. ***The following milk substitutions are available: 4 oz juice, bottled water, and lactaid.***
