

## **Community Works Afterschool Registration OPENS AUGUST 4th!**

**Community Works (CW)** is very excited to work alongside the ISL mission and families. The CW Program will offer your child a chance to continue learning following the school day. Sample classes may include: Theater, Visual Art, Dance, Music, STEM, and More! **Families enrolled are asked to participate full time, 5 days/week, until 5:00pm. As there are a very limited number of spaces available, participation requirements will be enforced. Any student absent or repeatedly picked up early be dropped from the program and their space made available to a waiting student.**

Please note, that if you would like afterschool prior to CW starting you must enroll in PrimeTime with ISL.
